Originally settled as a privateer hideaway along the New Orleans trade route in the late 1700s, the riverbank town of Fort Myers, Florida has come a long way since its early days of swashbuckling and plundered Spanish gold. Today, with its bright island beaches, historic downtown squares and picturesque Gulf Coast bridges, this palm-lined paradise has blossomed into a tropical vacation wonderland worthy of its reputation as one of the most sought-after destinations in the Sunshine State. Take a stroll down sunny First Street, the original main street in the 'City of Palms,' and sample some of the best New World cuisine and chic couture the Gulf has to offer. Spend an afternoon soaking up the sunshine on a deserted island beach, or watch the sunset explode into a million sparkles over the placid waters of Pine Island Sound.

Located just 15 minutes from Sanibel Island near Fort Myers Country Club, the quiet resort community of Village Creek is a picturesque tropical getaway of peace and tranquility just 5 miles from downtown Fort Myers. With its towering queen palms, pristine tropical landscaping and easy beach resort atmosphere, Village Creek is also a secluded family oasis of sun and fun under the sparkling skies of Florida's Gulf Coast. Dive in for a refreshing morning swim in Village Creek's shimmering resort-style pool, or get in a brisk afternoon workout at the state-of-the-art fitness center. Stretch out on the sundeck with a cool drink and a magazine, or head out for a quick evening jog along the private freshwater lake. With its cool Gulf breezes, year-round summertime weather and endless resort-style amenities, Village Creek is your perfect Fort Myers getaway in the heart of the Gulf Coast.

Nicknamed the 'City of Palms' for its towering rows of imported Cuban palms – a gift from its most famous resident inventor, Thomas Edison – Fort Myers has flourished into a vibrant riverside outpost with a truly unique taste for life. Once the winter getaway of Henry Ford, the laid-back Gulf Coast atmosphere and joie de vivre of Fort Myers have surpassed even its shining reputation for sparkling island beaches and five-star delights. Whether it's an early morning canoe trip on the Caloosahatchee River, a cocktail by the pool or an evening of tapas and dancing under the warm skies of the Florida night, there's truly something for everyone here in the 'City of Palms.'
